MANAGEMENT INFORMATION CIRCULAR AND PROXY STATEMENT

May 25, 2023

IN RESPECT OF THE ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS
TO BE HELD ON July 7, 2023

INFORMATION REGARDING PROXIES AND VOTING AT THE MEETING

Solicitation of Proxies

This Management Information Circular and Proxy Statement (the "Management Proxy Circular") is furnished in connection with the solicitation of proxies by the management of Spot Coffee (Canada) Ltd. (the "Corporation") for use at the Annual and Special Meeting of the holders (the "Shareholders") of common shares ("Common Shares") of the Corporation to be held at 3:00 p.m. (Toronto time) on Friday, July 7, 2023 at 141 Adelaide Street West, Suite 1007, Toronto, Ontario (the "Meeting"), for the purposes set forth in the Notice of Annual and Special Meeting (the "Notice") accompanying this Management Proxy Circular. Solicitation of proxies will be primarily by mail, but may also be undertaken by way of telephone, facsimile or oral communication by the directors, officers and regular employees of the Corporation, at no additional compensation. Costs associated with the solicitation of proxies will be borne by the Corporation.

Appointment of Proxyholders

Accompanying this Management Proxy Circular is an instrument of proxy for use at the Meeting. Shareholders who are unable to attend the Meeting in person and wish to be represented by proxy are required to date and sign the enclosed instrument of proxy and return it in the enclosed return envelope. **All properly executed instruments of proxy for Shareholders must be mailed so as to reach or be deposited at the offices of Computershare Investor Services at 100 University Avenue Toronto, Ontario, M5J 2Y1, not later than 48 hours (excluding Saturdays, Sundays and statutory holidays in the Province of Ontario) prior to the time set for the Meeting or any adjournment thereof.**

The persons designated in the instrument of proxy are officers and directors of the Corporation. **A Shareholder has the right to appoint a person (who need not be a Shareholder) other than the persons designated in the accompanying instrument of proxy, to attend at and represent the Shareholder at the Meeting.** To exercise this right, a Shareholder should insert the name of the designated representative in the blank space provided on the instrument of proxy and strike out the names of management's nominees. Alternatively, a Shareholder may complete another appropriate instrument of proxy.

Signing of Proxy

The instrument of proxy must be signed by the Shareholder or the Shareholder's duly appointed attorney authorized in writing or, if the Shareholder is a corporation, under its corporate seal or by a duly authorized officer or attorney of the Corporation. An instrument of proxy signed by a person acting as attorney or in some other representative capacity (including a representative of a corporate Shareholder) should indicate that person's capacity (following his or her signature) and should be accompanied by the appropriate instrument evidencing qualification and authority to act (unless such instrument has previously been filed with the Corporation).

Revocability of Proxies

A Shareholder who has submitted an instrument of proxy may revoke it at any time prior to the exercise thereof. In addition to any manner permitted by law, a proxy may be revoked by instrument in writing executed by the Shareholder or by his or her duly authorized attorney or, if the Shareholder is a corporation, under its corporate seal or executed by a duly authorized officer or attorney of the corporation and deposited either: (i) at the registered office of the

Corporation at any time up to and including the last business day preceding the day of the Meeting, or any adjournments thereof, at which the instrument of proxy is to be used; or (ii) with the Chairman of the Meeting on the day of the Meeting, or any adjournment thereof. In addition, an instrument of proxy may be revoked: (i) by the Shareholder personally attending the Meeting and voting the securities represented thereby or, if the Shareholder is a corporation, by a duly authorized representative of the corporation attending at the Meeting and voting such securities; or (ii) in any other manner permitted by law.

Voting of Proxies and Exercise of Discretion by Proxyholders

All Common Shares represented at the Meeting by properly executed proxies will be voted on any ballot that may be called for and, where a choice with respect to any matter to be acted upon has been specified in the instrument of proxy, the Common Shares represented by the instrument of proxy will be voted in accordance with such instructions. The management designees named in the accompanying instrument of proxy will vote or withhold from voting the Common Shares in respect of which they are appointed in accordance with the direction of the Shareholder appointing him or her on any ballot that may be called for at the Meeting. **In the absence of such direction, such Common Shares will be voted "FOR" the proposed resolutions at the Meetings. The accompanying instrument of proxy confers discretionary authority upon the persons named therein with respect to amendments of or variations to the matters identified in the accompanying Notice and with respect to other matters that may properly be brought before the Meeting.** In the event that amendments or variations to matters identified in the Notice are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the management designees to vote in accordance with their best judgment on such matters or business. At the time of printing this Management Proxy Circular, the management of the Corporation knows of no such amendment, variation or other matter to come before the Meeting other than the matters referred to in the accompanying Notice.

Notice-and-Access

We have elected to use the "notice-and-access" provisions under National Instrument 54-101 *Communications with Beneficial Owners of Securities of a Reporting Issuer* (the "**Notice-and-Access Provisions**") for the Meeting to Shareholders who do not hold their Common Shares in their own name. The Notice-and-Access Provisions are a new set of rules developed by the Canadian Securities Administrators that reduce the volume of materials that the Corporation must physically mail to its Shareholders by allowing the Corporation to post its information circular – proxy statement in respect of the Meeting and related materials online.

The Corporation has also elected to use procedures known as 'stratification' in relation to our use of the Notice-and-Access Provisions. Stratification occurs when the Corporation, while using the Notice-and-Access Provisions, provides a paper copy of our notice of meeting and information circular – proxy statement and a paper copy of our consolidated financial statements and related management's discussion and analysis to some of our Shareholders. In relation to the Meeting, our registered Shareholders will receive a paper copy of each of the Notice of the Meeting, this Information Circular – Proxy Statement dated May 25, 2023, our consolidated financial statements and related Management's Discussion and Analysis and a form of proxy whereas our Shareholders who do not hold their Common Shares in their own name will receive only a Notice-and-Access Notification and a Voting Instruction Form. Furthermore, a paper copy of our consolidated financial statements and related management's discussion in respect of the most recent financial year will be mailed to those Shareholders who do not hold their Common Shares in their own name but who have previously requested to receive paper copies of the financial information.

The Corporation anticipates that notice-and-access will directly benefit the Corporation through substantial reductions in postage and printing costs. The Corporation believes that notice-and-access is also environmentally responsible to the extent that it decreases the large volume of paper documents generated by printing proxy related materials.

Shareholders with questions about notice-and-access can call Computershare Investor Services at 1-866-964-0492.

In order to receive a paper copy of this Circular and other relevant information, requests by Shareholders may be made up to one year from the date the Circular was filed on System for Electronic Document Analysis and Retrieval ("**SEDAR**") by: (i) mailing a request to the Corporation at 141 Adelaide Street West, Suite 1007, Toronto, Ontario M5H 3L5, Attention: Chief Executive Officer; or (ii) calling the Corporation at 416-368-2220. The Corporation

estimates that a Shareholder's request for paper copies of the Circular and other relevant information will need to be received prior to June 27, 2023 in order for such Shareholder to have sufficient time to receive and review the materials requested and return the completed form of proxy as set forth in this Circular.

INTERESTS OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED ON

Except as disclosed in this Management Proxy Circular, none of the directors or senior officers of the Corporation at any time since the beginning of the Corporation's last financial year, nor any proposed nominee for election as a director of the Corporation, nor any associate or affiliate of any of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise in any matter to be acted on, other than the election of directors or the appointment of auditors.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

Voting Shares and Record Date

The authorized share capital of the Corporation consists of an unlimited number of Common Shares without nominal or par value. The record date for the determination of Shareholders entitled to receive notice of and to vote at the Meeting is May 23, 2023 (the "Record Date"). As at the Record Date, there were 161,217,670 Common Shares issued and outstanding as fully paid and non-assessable.

Common Shares

The holders of Common Shares are entitled to notice of and to vote at all annual and special meetings of shareholders and are entitled to one vote per Common Share. The holders of Common Shares are entitled to receive such dividends as the board of directors of the Corporation (the "Board of Directors" or the "Board") declares and, upon liquidation, dissolution or winding-up, to receive such assets of the Corporation as are distributable to holders of Common Shares.

Voting of Common Shares – General

Only Shareholders whose names are entered in the Corporation's register of shareholders at the close of business on the Record Date will be entitled to receive notice of and to vote at the Meeting.

Voting of Common Shares – Advice to Non-Registered Holders

Only registered holders of Common Shares, or the persons they appoint as their proxies, are permitted to attend and vote at the Meeting. However, in many cases, Common Shares beneficially owned by a holder (a "Non-Registered Holder") are registered either:

- a) in the name of an intermediary (an "Intermediary") that the Non-Registered Holder deals with in respect of the Common Shares. Intermediaries include banks, trust companies, securities dealers or brokers, and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans; or
- b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited or "CDS").

In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Corporation has distributed copies of the Notice, this Management Proxy Circular and the instrument of proxy (collectively, the "Meeting Materials") to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward meeting materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Typically, Intermediaries will use a service company (such as Broadridge Investor Communication Solutions ("Broadridge")) to forward meeting materials to Non-Registered Holders.

Generally, Non-Registered Holders who have not waived the right to receive meeting materials will:

- a) have received as part of the Meeting Materials a voting instruction form which must be completed, signed and delivered by the Non-Registered Holder in accordance with the directions on the voting instruction form; voting instruction forms sent by Broadridge permit the completion of the voting instruction form by telephone or through the Internet at www.proxyvotecanada.com; or
- b) less typically, be given a proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise uncompleted. This form of proxy need not be signed by the Non-Registered Holder. In this case, the Non-Registered Holder who wishes to submit a proxy should otherwise properly complete the form of proxy and deposit it with Computershare Investor Services at the address referred to above.

The purpose of these procedures is to permit Non-Registered Holders to direct the voting of the Common Shares they beneficially own. Should a Non-Registered Holder wish to attend and vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should strike out the names of the persons named in the proxy and insert the Non-Registered Holder's (or such other person's) name in the blank space provided or, in the case of a voting instruction form, follow the corresponding instructions on the form. **In either case, Non-Registered Holders should carefully follow the instructions of their Intermediaries and their service companies.**

Only registered Shareholders have the right to revoke a proxy. Non-Registered Holders who wish to change their vote must in sufficient time in advance of the Meeting, arrange for their respective Intermediaries to change their vote and if necessary revoke their proxy in accordance with the revocation procedures set above.

Principal Holders of Common Shares

To the knowledge of the directors and executive officers of the Corporation, the only person who beneficially owns, directly or indirectly, or exercises control or direction over, securities carrying more than 10% of the voting rights attaching to any class of voting securities of the Corporation is set forth below.

<u>Name and Municipality of Residence</u>	<u>Type of Ownership</u>	<u>Number of Common Shares</u>	<u>Percentage of Outstanding Common Shares</u>
Glenn Abadir <i>Las Vegas, USA</i>	Legal and Beneficial	25,260,880 ⁽¹⁾	15.67%

- (1) Of these Common Shares, an aggregate of 20,333,333 are held by a private holding company owned by Mr. Abadir and the balance are held by Mr. Abadir personally.

Stock options and other compensation securities

There were no stock options outstanding as at December 31, 2022 and there were no exercise of stock options by any of the NEOs or directors during the year ended December 31, 2022.

Stock option plans and other incentive plans

The Corporation has no other incentive plans other than its stock option plan (the "**Plan**"). The Plan provides that the board of directors may from time to time, in its discretion grant to directors, officers and employees of the Corporation and to consultants retained by the Corporation, non-transferable options to purchase common shares ("**Common Shares**"), or such other shares as may be substituted therefore, in the capital of the Corporation for a period of up to five years from the date of the grant provided that the number of Common Shares reserved for issuance may not exceed 10% of the total issued and outstanding Common Shares of the Corporation at the date of the grant.

The purpose of this Plan is to advance the interests of the Corporation by encouraging the directors, officers and employees of the Corporation and consultants retained by the Corporation to acquire Common Shares, thereby: (i) increasing the proprietary interests of such persons in the Corporation; (ii) aligning the interests of such persons with the interests of the Corporation's shareholders generally; (iii) encouraging such persons to remain associated with the Corporation and (iv) furnishing such persons with an additional incentive in their efforts on behalf of the Corporation.

The following is a summary of the material terms of the Plan:

- The number of Common Shares to be reserved and authorized for issuance pursuant to options granted under the Plan shall not exceed ten percent (10%) of the total number of issued and outstanding shares in the Corporation.
- Under the Plan, the aggregate number of optioned Common Shares granted to any one optionee in a 12 month period must not exceed 5% of the Corporation's issued and outstanding shares. The number of optioned Common Shares granted to any one consultant in a 12 month period must not exceed 2% of the Corporation's issued and outstanding shares. The aggregate number of optioned Common Shares granted to an optionee who is employed to provide investor relations' services must not exceed 2% of the Corporation's issued and outstanding Common Shares in any 12 month period.
- The exercise price for options granted under the Plan will not be less than the market price of the Corporation's Common Shares at the time of the grant, less applicable discounts permitted by the policies of the TSX Venture Exchange ("TSX-V").
- Options will be exercisable for a term of up to five years, subject to earlier termination in the event of the optionee's death or the cessation of the optionee's services to the Corporation.
- Options granted under the Plan are non-assignable, except by will or by the laws of descent and distribution.

The Corporation's Plan was approved by shareholders at the Corporation's Annual and Special Meeting of the Shareholders held on April 9, 2021. The Plan will be subject for approval at the Corporation's next Annual Meeting of the Shareholders.

Employment, consulting and management agreements

The Corporation has an agreement with a corporation of which Mr. Ayoub is an officer and shareholder to provide management services to the Corporation for a monthly fee of \$11,000. The Corporation has an agreement with a corporation of which Mr. Lorenzo is an officer and shareholder to provide management services to the Corporation for a monthly fee of \$11,000. The Corporation has an agreement with a corporation of which Mr. Koroll is an officer and shareholder to provide accounting and financial services to the Corporation for a monthly fee of \$5,000. The Corporation has a contract with Mr. Stapell to pay him a monthly fee of US\$4,000 in respect of his consulting services to the Corporation from January 1, 2016 to Present.

Oversight and description of directors and NEO compensation

The Remuneration Committee recommends to the Board of Directors of the Corporation the compensation of the Corporation's directors, NEO and senior officers that the Committee feels is suitable, primarily by comparison of the remuneration paid by other companies that the Committee feels are similarly placed within the same business as the Corporation.

Market comparisons as well as evaluation of similar positions in the same industry and/or in the same geography are among the criteria used in recommending compensation levels. Following a review of such criteria, the Remuneration Committee makes a recommendation to the Board of Directors, which may adopt the recommendation or modify it as it sees fit.

The objective of the Board of Directors and the Remuneration Committee in setting compensation levels is to attract and retain individuals of high calibre to serve as officers of the Corporation, to motivate their performance in order to achieve the Corporation's strategic objectives and to align the interests of executive officers with the long term interests of the shareholders, while at the same time preserving cash flows. These objectives are designed to ensure that the Corporation continues to grow on an absolute basis as well as to grow cash flow and earnings for Shareholders. The Board of Directors (following recommendation of the Remuneration Committee) sets the compensation received by NEO so as to be generally competitive with the compensation received by persons with similar qualifications and responsibilities who are engaged by other companies of corresponding size, stage of development, having similar assets, number of employees, market capitalization and profit margin. In setting such levels, the Board of Directors and the Remuneration Committee relies primarily on their own experience and knowledge.

Pension disclosure

The Corporation does not have any defined benefit or defined contribution pension plans in place which provide for payments or benefits at, following, or in connection with retirement for the Directors and NEOs.

Mr. Giorgio began his career in the printing industry in 1965 as a journeyman press operator. In 1967, he joined Addressograph Multigraph, selling automated printing systems competing with Xerox 8200 systems. In 1970, with a loan of \$2,500, Mr. Giorgio ventured into the printing business and founded Print Three Inc. as Vice President with two (2) other partners. Mr. Giorgio managed the operation of corporate owned quick print outlets and later to franchising the operations. In 1976, with his younger brother Frank, he founded Consumer Graphics Inc. as President. The company grew in sales from \$450,000 the first year to \$8,000,000 in 1989. In 1990, entrepreneurial brothers, Mario and Frank Giorgio opened the doors to AIIM under the name of "Avant Lithography". Foreshadowing a niche fifteen years ahead of its time, they changed their company's name to "Avant Imaging and Information Management" in 1992 and since day one, they have been driven to help their customers do more every day. In 1992, a new digital print division

The company introduced e-Source Print Purchasing and Solutions based printing in 1998 and as a result were awarded numerous new contracts. E-Source Print Purchasing eliminated the conventional way of estimating and developed on-line self-serve system for contract customers. This company was sold to a major corporation in 2022.

- a) The number of Shares subject to the Plan shall be increased or decreased proportionately in the event of the subdivision or consolidation of the outstanding Shares of the Corporation, and in any such event a corresponding adjustment shall be made to the number of Shares deliverable upon the exercise of any Option granted prior to such event without any change in the total price applicable to the unexercised portion of the Option, but with a corresponding adjustment in the price for each Share that may be acquired upon the exercise of the Option. In case the Corporation is reorganized or merged or consolidated or amalgamated with another corporation, appropriate provisions shall be made for the continuance of the Options outstanding under this Plan and to prevent any dilution or enlargement of the same.
- b) Adjustments under this Section 15 shall be made by the Board, whose determination as to what adjustments shall be made, and the extent thereof, shall be final, binding and conclusive. No fractional Shares shall be issued upon the exercise of an Option following the making of any such adjustment.

For the purpose of this Plan, "change of control of the Corporation" means and shall be deemed to have occurred upon:

- c) the entering into of any agreement by the Corporation to merge, consolidate, amalgamate, initiate an arrangement or be absorbed by or into another corporation; or

- d) the passing of a resolution by the Board or shareholders of the Corporation to substantially liquidate the assets or wind-up the Corporation's business or significantly rearrange its affairs in one or more transactions or series of transactions or the commencement of proceedings for such a liquidation, winding-up or re-arrangement (except where such re-arrangement is part of a bona fide reorganization of the Corporation in circumstances where the business of the Corporation is continued and where the shareholdings remain substantially the same following the re-arrangement); or
- e) individuals who were members of the Board of the Corporation immediately prior to a meeting of the shareholders of the Corporation involving a contest for or an item of business relating to the election of directors, not constituting a majority of the Board following such election.

18. AMENDMENT AND TERMINATION OF PLAN

- a) The Board may, at any time and from time to time, amend, suspend or terminate the Plan or an Option without shareholder approval, provided that no such amendment, suspension or termination may be made without obtaining any required approval of any regulatory authority or stock exchange or the consent or deemed consent of a Participant where such amendment, suspension or termination materially prejudices the rights of the Participant.
- b) Notwithstanding the provisions of Section 18(a), the Board may not, without the approval of the security holders of the Corporation (or, as may be required by the policies and procedures of the Exchange, the approval of the disinterested security holders of the Corporation), make amendments to the Plan or any Option for any of the following purposes:
 - i. to increase the maximum number of Shares that may be issued pursuant to Options granted under the Plan as set out in Section 8;
 - ii. to reduce the exercise price of Options for the benefit of an Insider;
 - iii. to extend the term of an Option beyond the Option Period for the benefit of an Insider; and
 - iv. to amend the provisions of this Section 18.
- c) In addition to the changes made pursuant to Section 3, the Board may, at any time and from time to time, without the approval of the security holders of the Corporation amend any term of any outstanding Option (including, without limitation, the exercise price, vesting and expiry of the Option), provided that:
 - i. any required approval of any regulatory authority or stock exchange is obtained;
 - ii. if the amendments would reduce the exercise price or extend the expiry date of the Options granted to Insiders, approval of the security holders of the Corporation must be obtained;
 - iii. the Board would have had the authority to initially grant the Option under the terms so amended; and
 - iv. the consent or deemed consent of the Participant is obtained if the amendment would materially prejudice the rights of the Participant under the Option.

- (i) the identity of directors that are independent, and
Raymond Stapell, Glenn Abadir and Mario Giorgio.
- (ii) the identity of directors who are not independent, and the basis for that determination.
John Lorenzo and Anton Ayoub.

In determining whether a director is independent, the Corporation chiefly considers whether the director has a relationship which could, or could be perceived to interfere with the director's exercise of independent judgment. Directorships — If a director is presently a director of any other issuer that is a reporting issuer (or the equivalent) in a jurisdiction or a foreign jurisdiction, identify both the director and the other issuer. *Certain of the directors of the Corporation are also directors of other reporting issuers (or equivalent) in a jurisdiction or a foreign jurisdiction as follows:*

Ethical Business Conduct — Describe what steps, if any, the board takes to encourage and promote a culture of ethical business conduct. *The Corporation does not currently have a formal code of business conduct or policy in place for its directors, officers, employees and consultants. The Board believes that the Corporation's size facilitates informal review of and discussions with employees and consultants. The Board monitors ethical conduct of the Corporation and ensures that it complies with applicable legal and regulatory requirements, such as those of relevant securities commissions and stock exchanges. The Board has found that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation and the common law, as well as the restrictions placed by applicable corporate legislation on the individual director's participation in decision of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation.*

5. Nomination of Directors — Disclose what steps, if any, are taken to identify new candidates for board nomination, including:

- (i) who identifies new candidates, and
- (ii) the process of identifying new candidates. *The Board has not appointed a nominating committee as the Board fulfills these functions. 6. Compensation — Disclose what steps, if any, are taken to determine compensation for the directors and CEO, including:

(i) who determines compensation, and *the Compensation Committee is responsible for making recommendations to the Board with respect to compensation for the directors and the CEO. The Board has the ability to adjust and approve such compensation.*

(ii) the process of determining compensation. *Market comparisons as well as evaluation of similar positions in different industries in the same geography are the criteria used in determining compensation.*

7. Other Board Committees — If the board has standing committees other than the audit and compensation identify the committees and describe their function.

The Board has a Corporate Governance Committee, which is responsible for establishing and facilitating effective processes for the ongoing evaluation of the Board and its committees and the ongoing assessment of the contribution of individual directors.

8. Assessments — Disclose what steps, if any, that the board takes to satisfy itself that the board, its committees, and its individual directors are performing effectively.

The Corporate Governance Committee is mandated to conduct an annual evaluation by the directors on the effectiveness of the Board and its committees and to propose any necessary modifications to the functioning and governance of the Board and committees that may result from such evaluation processes.
